

The Rotary Club of Ridgefield is one of the most vital institutions in our town. Its objectives of philanthropy and community service have resulted in hundreds of thousands of dollars in donations to dozens of local organizations. While the Rotary's fundraising efforts have been significant, your help is needed to accomplish even *more* for the community.

We are pleased to offer you a limited sponsorship opportunity for the **21st Annual Taste of Ridgefield**. You may know that up to 500 people attend this event; this year we anticipate an even higher number and have started aggressive ticket sales and promotional campaigns. Your contribution to this popular event will help provide scholarships for worthy students, and grants for community organizations to help those less fortunate.

In return for your financial support, your business will be a part of our comprehensive media campaign, resulting in broad-based, multi-media publicity, heightened visibility to a wide demographic, and an enhanced image of your business.

Following are the various sponsorship levels:

21st Annual Taste of Ridgefield January 26, 2020
